35TH YEAR.

YALE, St. Clair County, Mich., THURSDAY, July 20, 1916

\$1.00 Per Year, In Advance

IN youth is the time to start a bank account. Read the lives of the successful men in every line of endeavor. In the recital of their life stories they proudly relate how they earned their first dollar and how they opened their first bank account.

Youth for many is a prodigal time. But it is the time when the young man who wants to be a success in life should lay the cornerstone by opening a bank account and adding to it. The ambitious young man needs no urging to open an account. It is to the young man who is scattering his money foolishly that this appeal is made.

LAY THE CORNERSTONE OF SUCCESS BY OPENING A BANK ACCOUNT TODAY.

Why You Should Take IRON

Any person whose blood is thin—who is pale or weak—who always feels tired or to whom life hardly seems worth while should take

SAN-TOX

Celery and Iron Tonic

The beneficial effects of San Tox Celery & Iron Tonic are soon noticeable. It makes rich, red blood. The pallor of the cheek is soon replaced by the ruddy glow of health. No tonic is more popular with those who need one, and nothing is a better investment than a \$1.00 bottle of San Tox Celery & Iron Tonic.

OBITUARY.

He still prepared for death and death or life shall thereby be the sweeter.—Shakespeare.

News of the death of Henry Doelle, sr., came as a surprise and shock to the many Yale people who had known him so well for many years.

Mr. Doelle had been making his home with his daughter, Mrs. Emerson Cooper, in Richmond and had gone to Pontiac for a few weeks visit with relatives.

When there but a few days he was taken ill and died quite suddenly on Tuesday, July 18th, at the home of his daughter, Mrs. Faust, death being due to heart disease and a general break up.

The body was brought to Yale on Wednesday evening and today, Thursday afternoon services are being held, Rev. Geach pastor of the M. E. church officiating, with interment in Elmwood cemetery.

Mr. Doelle was a native of Germany, born in Prussia, Germany in 1836. In 1852 he came to U. S. landing in New Orleans and finally settling in Canada. Before leaving Germany he had learned the shoemaking trade as apprentice and engaged in that business in Canada.

In 1857 he was married to Mary Arnold and in 1875 they came to Michigan, settling in Greenwood township, St. Clair county, where they remained 25 years. In 1890 the home was made in Yale until about two years ago when they went to live with their children in different parts of the state.

Thirteen children were born to Mr. and Mrs. Doelle, ten now living—Mrs. Henry Heinmiller, Fargo; Mrs. Wm. Miller, Greenwood; Mrs. John Faust, Pontiac; Mrs. Chas. Derosier, Pontiac; Mrs. Emerson Cooper, Richmond; Henry and Peter, Yale; Jacob, Pontiac; Herman, Crosswell; John, Houghton, also twenty-eight grand children and four great-grandchildren.

Deceased was a character of rugged strength, of manly honesty and uprightness. He was a man fair and square in all his dealings, and highly respected by all who knew him. His was a long life of usefulness.

Died on Wednesday, July 12, 1916 at the farm home in Lynn, William H. Beers.

The funeral services of Mr. Beers were held on Sunday at the home of Rev. Bragg, pastor of the M. P. church of Yale, officiating.

William Beers was born in Fullerton, Ont., December 31, 1850 and came to Michigan thirty-five years ago, settling on the farm where he died.

He was married in January 1886 to Mary C. Ohmer and to this union ten children were born, one dying in infancy, leaving a wife and nine children to mourn the loss of a husband and father, who for several years had patiently endured the sufferings of ill health.

Mr. Beers was a man well-known and highly respected in the community in which he lived.

Mrs. Beers and children desire to publicly thank their many kind neighbors and friends who lent them such willing assistance and those who brought the floral offerings.

M. P. Church Notes

REV. CHAS. BRAGG, PASTOR

Ladies' Aid met at the home of Mrs. Wm. Kennedy this week. Next week will be election of officers at Mrs. Worden's. Everyone requested to be present.

The last quarterly meeting of this conference year was held on Sunday, July 9th. Rev. Riley of Goodells assisted with these services. The doors of the church were opened, and two new members were welcomed to our midst. The business meeting was held on Saturday evening and Than Graybiel was elected delegate to the Michigan Annual Conference at Midland Park, Gull Lake.

A unanimous call will be sent to bring Rev. Bragg back to this appointment, although he is contemplating going into evangelistic work.

Prayer meeting Thursday evening under the leadership of Ruth Pratt.

Another Operation

Leslie Stirling, who had his leg amputated last week is improving nicely. Leslie has suffered from blood clots in the arteries and in December 1912 his left arm was amputated, and on May 15, 1913, after further indications of the disease developed, it was found necessary to amputate the left leg just below the knee. This did not heal well and for months he was compelled to suffer with the leg unhealed. He gradually improved however towards spring and for the past two years has been able to attend to his business the greater part of the time, being taken to the store in a chair, an artificial limb allowing him to move about to a limited extent. But on Friday, July 7 another stage of the disease developed, and on Sunday following an operation was performed, removing the right leg above the knee. Leslie's many Yale friends are sorry to learn of his misfortune but hope that he will so far recover as to be able to attend to his business interests for many years to come.

CAVE THE BABY REST.

Children just cannot keep covered at night and that is one way they take cold. Foley's Honey and Tar is a reliable family cough medicine that contains no opiates or harmful ingredients. Mrs. Wm. Leonard, Pottsville, Pa., writes: "My baby had a very bad cough. The first dose gave her relief." H. T. Hennessy, adv.

GATHERING OF THE CLANS

Yale Will be the Mecca of the Scottish Clans and Their Hosts of Friends Next Tuesday.

From the many letters and inquiries received by those in charge, it looks as though Yale will have a "bumper" crowd on Tuesday next, July 25th, at which time the big Caledonian sports will be pulled off. Besides the athletic sports and base ball game there will be plenty of real music. This part of the day's doings will be looked after by the pipers and the famous Lexington Band, and we assure our readers that there is a big treat in store for those who attend.

The dancing will be fine and there won't be a minute during the day without something doing.

The athletic sports will take place in City park and will commence at ten o'clock sharp. Come and spend the day with us. Picnic in the shade of the beautiful trees. There's a welcome and a good time awaiting you.

Get your tickets for the Scotch concert in the evening. There are not many left and you don't want to miss the entertainment.

Caledonian Day Committees

The athletic events have been divided into four classes and a committee-man appointed to look after each class. The following were appointed:—
Class A—Glenn Daykin
Class B—Jas. A. Menzies
Class C—Geo. Stableford
Class D—Jas. Wallace
Kitties—Wm. H. Epplett, Sandusky
Tug of War—Fred Wilt, captain
Each of the above gentlemen will appoint any assistants they may need. Remember, the games start at ten o'clock promptly, and you want to be on hand when they start.

Golden Wedding Celebrations

Capac, Mich., July 15.—Pioneers of St. Clair county, having lived there the greater part of their lives, Mr. and Mrs. Andrew Curry of Capac, Mich., celebrated their golden wedding anniversary July 8. Mr. Curry, who is a civil war veteran, is 73 years old and Mrs. Curry is 67 years old. Of their family of nine sons, eight are still living, Andrew, Jr., of Lynn, Mich.; Terrance, of Flint; William, of Knife River, Minn.; James B., of Lakeville, Mich.; Patrolman Gorman Curry, of Detroit; Frederick P. and L. Ross, of Flint, and George, of Ashland, Wis. Their oldest son was drowned at the age of 24 years.—Detroit Free Press, Sunday, July 16.

Mr. and Mrs. Curry were residents of Lynn township for many years, and have a host of friends there and in the city of Yale, all of whom join in congratulating them, and in wishing them many more years of happiness.

Mr. and Mrs. Junius Popplewell of this city, celebrated their 60th wedding anniversary on Friday, July 14th. Both are enjoying the best of health. Mr. Popplewell is 88 years of age and is hale and hearty. He still retains his pride and ambition which is characteristic of the English. Their large family which are scattered here and there didn't forget to send tokens of love from the children. We wish them many happy returns of the day.

To Aid Anti-Saloon Campaign.

At a meeting of the ministers of the county held at the Y. M. C. A. rooms this morning the dry fight which is to be made to eliminate the saloon from the state was discussed. A permanent organization was formed by the ministers to aid in the fight and the following officers were elected:

President—Rev. Dr. Shaw, 1st M. E. church, Port Huron.
First Vice-Pres.—Rev. E. H. Bradford, Yale.
Second Vice-Pres.—Rev. L. C. Difford, Algonac.
Third Vice-Pres.—Rev. W. H. Wagner, Capac.
Secretary—Rev. W. S. Steenma, St. Clair.

The following resolution was adopted:—"We, the ministers of St. Clair county in session at Port Huron, Monday, July 17, heartily endorse the campaign for the elimination of the saloons from St. Clair county and the state of Michigan and hereby pledge our personal and united efforts toward that end."—Times-Herald.

MANY IN YALE TRY SIMPLE MIXTURE

Many Yale people are surprised at the QUICK action of simple buckthorn bark, glycerine, etc., as mixed in Adler's. This simple remedy acts on BOTH upper and lower bowel, removing such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. A few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. THE INSTANT, easy action of Adler's is astonishing. Grant Holden, druggist, adv.

Work of County Agriculturist

Pedigreed grains are now being grown by over one thousand farmers in Michigan, and work has reached a stage which makes it desirable from both the standpoint of the College and the farmer to follow up with field and granary inspection. In order to make the number of varieties grown as small as possible and to standardize them so that large quantities of the same variety of grain may be available, the state authorities are offering only the following: Red Rock wheat, Rosen rye, Michigan winter barley and Worthy, Alexander and Success oats. J. W. Nicholson, of the Farm Crops Department was in the county on Monday for the purpose of carrying out the field inspection of wheat and rye. No one had grown the Red Rock long enough to have any for sale during the present year and owing to the pressure of the work in other localities where quantities would be for sale, Mr. Nicholson spent only one day in St. Clair County. An excellent field of Rosen rye was inspected at the county farm and found to be in very good condition and free from bad weeds. During the day also the following men were visited and made acquainted with the work: Wm. Cavanagh and John Patterson, Brockway township; E. J. Dougherty, John Judge, Frank Foley, Riley township and John Patterson, Columbus township. The field inspection of the oats will come about two weeks later.

The second inspection is made between threshing time and seeding. The owner is notified a few days in advance so that he can have the grain which he wishes to sell cleaned ready for the inspector when he comes. If it passes inspection, it is then placed in sacks and sealed. The State Association will then stand back of such grain and has established the prices: \$2.50 per bushel for wheat; \$2.25 per bushel; oats, \$1.50 per bushel; barley \$2 per bushel. All growers of Worthy or Alexander oats who wish to sell a portion or all of their crop should notify this office at an early date so that their needs can be looked after when Mr. Nicholson returns to the county the last of the month.

Some time last week was also spent at the County Farm assisting in setting up and starting a potato sprayer, and one day was occupied with a trip to the factory at Pontiac for additional parts and information in regard to certain details of machine. We have equipped this machine with a special attachment that has proven very efficient in the control of blight with the large potato growers in the south-western part of the state. The outstanding feature is a boom with five trailing attachments each carrying a pair of nozzles equidistant between two rows. Each nozzle can be directed obliquely upward toward the row opposite it at any directed angle, thus throwing the spray on the under as well as on the upper side of the leaves. Five rows are sprayed at a time and it is believed that the farm at Goodells now has the very best equipment available for the control of potato insects and diseases, and it is hoped that other growers will inspect it with a view to providing like outfit on their own farms.
